**FIRE CAUSES LOSS**

**OF ABOUT \$2,000**  
Sawmill of the Ryther, Purdy Lum-  
ber Company Burned at Stockbridge,  
Vt.—Mr. Ryther Here at Present.

Orman E. Ryther, who has been in  
the city for a short time looking after  
his nursery, received word on Monday  
that his steam saw mill at Stock-  
bridge, Vt., had been destroyed by fire  
Friday morning. The mill, with the  
machinery of which is a complete loss,  
was operated by the Ryther, Purdy  
lumber company. Mr. Ryther's son-in-  
law, N. M. Purdy, being associated  
with him in the business. The engine  
and boiler, however, are not badly  
damaged but a quantity of sawed  
lumber near the mill was destroyed.  
When the fire broke out the mill  
gang devoted their efforts to the sav-  
ing of what lumber they could and as  
the result about \$2,000 worth of lumber  
was saved from the burning mill.  
There was no insurance on the property  
and Mr. Ryther figures that the loss  
will total about \$2,000. The com-  
pany had already saved about a mil-  
lion feet of lumber there and there  
was about much more business in  
sight. It has not been determined as  
yet what will be done about resuming  
business.

**OPENING SESSION OF  
CONN. DISTRICT CONFERENCE**

New Haven Pastor Delivers Strong  
Sermon at German Church.

At the opening session of the Con-  
necticut district conference of the  
New York Ministerium, which com-  
prises of pastors and delegates from  
Massachusetts, Connecticut, New York  
and New Jersey, Rev. J. A. Timms, of  
New Haven, president of the conference  
delivered a strong sermon Mon-  
day night at the German Lutheran  
church on Franklin street, taking his  
text from First Corinthians, 16th chap-  
ter and 5th verse. Rev. G. F. Hart-  
wick of Rockville assisted in the ser-  
vice in part. Mr. Timms said: We  
have gathered here in this church in  
Norwich for the first time as a  
conference and we are grateful for the  
kind invitation extended to us. We  
have stood as a congregation at the open-  
ing of Joseph's garden. The Easter  
greeting of the risen Saviour, peace  
be unto you is reaching in our  
hearts, would to God that this greet-  
ing could be heard and received by  
the warring nations of the world.  
The work of the church is the work  
of peace and as for the wars we  
will leave them to the war colleges  
and the statesmen of the world.  
But we preach and work for the  
peace of nations yet at work our  
battle motto is: "Through Suffering  
to Peace." Our warfare is with death.  
Our work is the work of life. This is  
Paul's Easter wish.

First—The firm foundation of His  
resurrection and upon this foundation  
rests the church. We leave the modern  
theory of the resurrection of the  
spirit to those who deny the resur-  
rection of the body. We preach  
Christ not simply crucified but arisen.  
Our people stand on this foundation.  
Yet the danger of materialism of love  
for the filthy lucre of worldliness,  
threatens the spiritual life of our peo-  
ple. The conquest over the death and  
grave does not begin when life ends  
here but is the result of Christian  
faith. Let no false doctor or worldly  
unbeliever shake our faith.

Second—Abounding in the work of  
the Lord. The Lord's work is con-  
stant and it is to be continued. It is  
to be perfected in us His believers  
we do not simply stand on the founda-  
tion of His resurrection but we are  
sure that His resurrection has wrought  
about the higher life in us. This life  
is one of progress and finds its perfec-  
tion after death.

For this life is a standstill and does  
not abound, it spells death. Our work  
of the Lord is one of spiritual ex-  
perience and the goal of our endeavor  
is our pastoral work. It will abound  
because it is the work of life.  
Let us not be discouraged for we  
know that our labor is not in vain. We  
are the messengers of life and are  
fighting the powers of death. We  
shall and must conquer.

Sessions will be held this morning  
at 9 o'clock, 2 o'clock this afternoon  
and at 7:45 this evening. Rev. Henry  
Metz of Tarryville, Conn., will preach  
on Home Missions and Rev. Theodore  
Posselt, secretary of the New York  
Ministerium of New York city will  
preach on the work of synod.

On Wednesday a discussion will take  
place with Rev. F. W. Schafer lead-  
ing. The topics to be discussed are  
of the church and the congregation  
of saints whose duty it is to  
glorify God and save souls. The church  
should not engage in any kind of busi-  
ness for the filthy lucre's sake.

Second—Baptism which should or-  
dinarily be administered at the pub-  
lic service of the church. Only Luth-  
erans in communion with the church  
may act as sponsors.

Third—A pastor should bury only  
members of the church of those who  
depart this life in Christian faith.  
Fourth—Since a minister is a fol-  
lower of Him who had not where to  
lay His head, he must be ready to  
suffer poverty as well as persecution  
for the Lord's sake. It is dangerous  
for a minister to accept perquisites  
because he needs the money. To ac-  
cept them for any other reason is  
wrong.

The New York Ministerium was  
founded in the year 1780 and is one  
of the oldest of its kind in the United  
States. It consists of 15 various  
churches in Connecticut, Massachu-  
setts, New York, New Jersey and has  
an enrollment of 190 pastors and dele-  
gates.

**A New, Harmless Way  
To Banish Hairy Growths**

(Beauty Topics)  
By following this suggestion any  
woman can, in the privacy of her own  
home, remove every trace of hair or  
fuzz from her face. With powdered  
detonate and water mix enough paste  
to cover the not wanted hairs; apply  
and in 2 or 3 minutes rub off and  
wash the skin. This method is un-  
failing, harmless and quick in results,  
but care should be employed to get  
the genuine detonate.

**REAPING BENEFIT**

From the Experience of Norwich  
People.

We are fortunate indeed to be able  
to profit by the experience of our  
neighbors. The public utterances of  
Norwich residents on the following  
subject will interest and benefit many  
of our readers. Read this statement.  
No better proof can be had.

Mrs. Jared Hewitt, Palmer St., Nor-  
wich, says: "For several months I  
was bothered by pains across the small  
of my back and from other symptoms.  
I knew that my kidneys were at fault  
and I got a box of Doan's Kidney Pills  
at N. D. Sevin & Son's Drug Store.  
Soon after using them, the pain in  
my back disappeared and my health  
improved."
